

The Growing Experience Community-Supported Agriculture (CSA) Program

SUBSCRIBER-GROWER AGREEMENT

1. Subscribers will receive produce on a weekly, bi-weekly, or monthly pickup basis direct from our urban farm. Notice of available pick-ups days will be provided by email on a monthly basis. The price per pickup is \$20 each.
2. Due to the unpredictability of farming, specific items cannot be guaranteed. Individual orders cannot be customized.
3. Payment is due prior to, or at time of pick-up. Subscriptions may be paid in advance by mailing cash, check or money order to the mailing address provided below.
Please make checks payable to: "Community Development Foundation" or "CDF"
Sorry, no cash refunds. Unfortunately we are not setup for credit cards currently.
4. To ensure we do not over harvest, all order cancellations must be made by *the Monday prior* to the previously indicated pick-up date. If Subscriber is unable to pick up their order, they are encouraged to have someone pick up on their behalf. There are no credits given if no or inadequate notice is given of inability to pick up an order. Produce orders not picked up at the end of a pick-up day are donated.
5. On rare occasions, there may be a period in which there will be no produce available due to weather or other unforeseen circumstances. In this instance, notification will be made beforehand and pre-paid credit will be carried over until the order can be filled.
6. Subscribers are responsible for picking up from: The Growing Experience Urban Farm located at:
750 Via Carmelitos Long Beach, CA 90805
7. Unless otherwise indicated, Pick-ups occur: **Thursdays: 3-6:00 pm, Fridays: 2-5:00 pm**
